PROFESSIONAL EXPERIENCE

Kemper CPA Group LLP

Marketing Coordinator

- Develop and execute firmwide marketing initiatives across multiple service lines and markets.
- Create digital and print materials, including social media graphics, brochures, presentations, email campaigns, and sales collateral.
- Write and publish content for websites, blogs, newsletters, advertisements, internal communications, and business development campaigns.
- Manage social media strategy, content creation, scheduling, engagement, and performance reporting across multiple brand accounts.
- Coordinate website updates, email marketing, proposals, webinars, events, sponsorships, and regional campaigns.
- Collaborate with partners, department leaders, and office teams on service promotions, custom requests, and go-to-market strategies.
- Maintain marketing calendars, project pipelines, brand standards, and campaign analytics across firmwide initiatives

Evansville, IN
Nov 2025 - Present

The Evansville Otters

Director of Marketing and Community Relations

- Directed and executed integrated marketing strategies, game-day promotions, and fan engagement initiatives, leading 30+ promotional staff while delivering theme nights, in-game entertainment, giveaways, and special events.
- Managed the organization's social media strategy, content creation, photography, graphic design, and brand messaging to drive audience engagement and maintain a consistent digital presence.
- Coordinated community relations programs, player appearances, mascot events, nonprofit partnerships, donation requests, and the Baseball Buddies program to strengthen community engagement and brand visibility.
- Oversaw advertising campaigns across television, radio, digital, and social media channels while managing marketing budgets, analyzing campaign performance, and optimizing promotional efforts.
- Led cross-functional initiatives including team store operations, player housing logistics, sponsorship activations, and special events, collaborating with internal staff and external partners to support organizational growth and fan experience.

Evansville, IN
Jan 2025 - June 2025

Pacific Press Holdings, LLC

Marketing Specialist

- Led a company-wide rebrand, developing new logos, visual identity, product designs, and brand standards while implementing consistent messaging across digital and print platforms.
- Created and managed marketing collateral, including brochures, product manuals, trade show materials, presentations, and promotional graphics to support sales and business development.
- Managed social media strategy, digital content creation, website updates, and WordPress administration while improving SEO, user experience, and brand engagement.
- Produced and maintained product photography, video content, and other digital assets to support marketing campaigns, product launches, and promotional initiatives.
- Monitored marketing performance using Google Ads, Google Analytics, Salesforce, and social media analytics, providing data-driven insights to optimize campaigns and support strategic decision-making.
